

Volunteer of The Month

Crystal Galles is our featured volunteer of the month. Crystal has been a Youth for Christ volunteer for over 9 months. She is on our Executive Board as Treasurer and is doing

a fabulous job! She has been instrumental in monitoring CYFC's finances as well as providing advice in regards to our financial statement. Crystal has also done an amazing job assisting us with various fundraisers including manning our raffle table for our Love in Action Outreach. We gave away (5) fire-tablets to kids and were they ever happy. We are truly blessed to have some amazing volunteers such as Crystal here at Casper Youth for Christ.

"One of the strategic goals of Youth for Christ is to network with local churches to make disciples. Our mission cannot be effective without the partnership of the local church."

Sharon Lockwood,
Executive Director

One of my favorite aspects of our Love in Action Outreach is partnering with local churches in our community to reach the lost. Adam and Mary Ann Grussendorf (pictured above) from Hope Church sang Christmas carols in a very worshipful way. We were also privileged to have Will and Marni White from Highland Park Community Church join us. Both teams are very talented and brought Jesus to the center of this event through their worship. We want to express our deepest gratitude to them along with all the volunteers who made Love in Action a success this year. What better way to lift up the name of Jesus as when God's people work together in unity to reach the lost with the love of Jesus Christ. Our prayer for you is that you will experience a greater revelation of God's character and love for you. We want to Thank you again for lifting Jesus high in our community through your support and prayers of Casper Youth for Christ!

Love in Action fed over 500 people

This year our Love in Action outreach was very fruitful. During our Love in Action Outreach, there were more people in attendance this year than last year. We had a large range of individuals from the elderly to new born babies. We had 172 families this year who received assistance with Christmas gifts, Holy Cross food vouchers for a year, and gift cards. We had over 500 people attend our Open house on December 15. What a delight for us at CYFC to see people in our community come and have dinner and fellowship with one another at the Link. Many of our families stayed for quite a while. They had their pictures taken and their children decorated cookies. There were several pastors and volunteers who were also praying with people and taking prayer requests. Many were being prayed for during the actual open house. There was a total of 111 prayer requests from these families. Most people were requesting prayer for their family issues and health issues. This is our vision at CYFC to establish relationships with those in our community while we share God's love with them. Our Love in Action Open House is yet another way we can share the Gospel with families in need.

You can make a difference in the lives of Youth! Volunteer at CYFC!

Yes, I want to volunteer at Casper Youth for Christ!

Outreach Office Fundraising

Partnering with Child Evangelism Fellowship

CYFC believes in the ministry of Child Evangelism Fellowship(CEF). We are happy to partner with them in sharing the Gospel at various events. Children of our Love in Action applicants received an invitation in the mail this year to come to CEF 's Christmas party at the Link on December 13 to hear about the birth of Christ as well as the Good News! Subsequently, they heard the Good News story again on December 15, during our Open House gathering. While CEF painted faces, we passed out comic Bibles to all the children. We also gave out Action Bible Comics on creation to all the youth who attended as well. We are thankful for the partnership of CEF and can always count on them to share a well rounded message of God's love and hope with the children they come in contact with. Thank you CEF for partnering with us to reach lost and hurting children in our community. Miracle (picture) is one of CEF's faithful workers.

Love in Action Outreach!

There was a family that came to our Love in Action dinner who we had helped at Thanksgiving. They were very grateful to attend the open house, have a free Christmas dinner and received Christmas gifts. This family was in great need of food and financial assistance. Because of your giving, they were able to experience a memorable Christmas. We would not have been able to help this family without the support of the Centennial Middle School Campus Life Outreach. We gave this precious family a Bible, and a Bible promise book. This family received all these wonderful gifts in Jesus Name. Please join us in prayer as we believe God to bring these families to Christ. Thank you for your support and prayers. Together we can make a difference in the lives of families.

Homeless Youth Dinner

Our homeless youth dinner was held at La Cocina restaurant on December 14th. There were 25 individuals in attendance. We invited Pastor Dan Smith and a couple from Providence Church. Pastor Dan did the ice breaker and the couple shared their testimony about their struggles as teen parents and how Jesus used their children to change their lives. Pastor Dan invited them all to attend his Christmas church service. A teen couple at the dinner who had a 6 month old child expressed they would attend. Our staff sat at different tables to get to know the youth individually. At first, the youth appeared guarded but opened up the more they got to know us. Each youth received gift cards, Holy Cross Food cards, a Wyoming blanket, a Bible, candy, and a \$25 gift card to Targets. A special thank you to all Love In Action donors who made this event possible.

Thankful for Love in Action

Meet Kristin Salisbury, she is one of our Love in Action recipients. We first met Kristin several years ago. She was one of our models at our annual fashion show. Kristin was excited to attend our Love in Action Open House. She

shared that she has never experienced a Christmas party like this and it was amazing to see the community come together during the holidays. Both Kristin and her son enjoyed the various booths. She was so happy to receive one of Margo Bean's signed children's books, along with the face painting and Biblically-based activities. Her son enjoyed all of the children's activities, especially the cookie decorations. She really appreciated that Jesus was the center of it all. She hasn't been to church since the 5th grade but still believes in God. CYFC invited several pastors to the event for the purpose of inviting families to visit their churches. Getting to know other people in the community was Kristin's favorite part. She shared that everyone was so kind to her and her son and she was so grateful for the gifts this holiday season.
