

# Volunteer of The Month

Meet KC. He is the father of two amazing children and a beautiful wife Brook. He is also is the District Youth Director for the Assemblies of God.

KC is also the Casper Youth for Christ Campus Life Leader at Roosevelt. He has a passion for youth and it is so evident as he ministers each Wednesday. He also shared God's Word at this year's Homeless Youth dinner during our Love in Action Christmas outreach. The youth respond to his Christ-like love, compassion and vision. Their church had a youth conference several months ago. To which they provided free scholarships for all Roosevelt Campus Life youth. It is such a joy and honor to have KC as part of our team. ## Fulfilling Our Mission!

*We are excited about the growth of our Campus Life Outreaches. This year several of our on-campus outreaches started out with just a few youth but now has doubled and even tripled. It proves that youth are hungry for God's love and presence in their lives in very shaky and uncertain times. We are also fulfilling our mission to "reach young people everywhere working together with the local church to raise up lifelong followers of Christ." We have very gifted pastors, youth pastors, and volunteers from local churches leading our Campus Life outreaches. We can see that God is blessing the unity and most importantly the youth are invited to a local church for long-term discipleship. We need more Campus Life Leaders so that we can expand to the other middle schools. God may be calling some of you to impact youth with the Gospel through our Campus Life outreaches. Thank you for partnering with us to reach lost and hurting youth in our community. Together we are making a difference in our city.*

In Christ Service,  
Sharon Lockwood, E.D.

**It has been an exciting year serving CYFC at the Campus Life Bible study at Kelly Walsh High School. We have seen the gathering continue to grow now with around 40 students that make it as often as they are able. We have had fabulous times together in God's Word as well as great conversations. Many of the students that we get to minister to have great needs for prayer and many areas of concern. It is our joy to serve and we have been very blessed this year to be joined by Ed Tharp who is the youth pastor at Boyd Avenue Baptist Church. Please pray for this ministry on this great high school campus. Chris Sims-KWHS Campus Life Director**

**Marianne Pettit is from Highland Park Community Church. She is a Campus Life Leader at Centennial Middle School-8th grade. For the past six months, I have been picking up pizza at Dominoes to bring to Centennial Campus Life. This pizza is provided free to the students during Campus Life because of generous CYFC donors. I always make sure I am kind as I represent CYFC and ultimately Christ. I also pray daily for open doors to proclaim Christ's message (Col. 4:3). On March 2nd, I went to pick up pizza. The worker shared that she loves it when I comes in because I am always happy. I told him it is God that makes me happy and continued to share my testimony. Praise God for answering that prayer and opening that door for His message. Pray that God will continue to open youth's hearts to respond to and believe His Message (Acts 16:14). Also, a non-Christian student came to Campus Life for about two months but suddenly stopped. I continued to pray for him. I saw him recently and he shared with me that he was going to return. Praise the Lord, God answered prayer and brought him back. Pray for the other 22 students that attend Campus Life that they will grow in Christ and believe His Message (Rom. 10:1-17). **Campus Life at CY Junior High is amazing. We Started 7 weeks ago. With approximately 7 students, I began talking about God's love and how much they are loved by him. Over those 7 weeks, we have grown to over 25 student. I am blown away by how God shows up when we surrender and then get out of the way. It has been an honor to serve these students as they come from different denominations and even other religions. God is so good and I can't wait to see what he does next.
