

Volunteer of The Month

Doris Steele is one of our long-term volunteers. She has been serving as a volunteer for over 3 years. She enjoys sharing with the youth at Lunch at the Link. She also enjoys answering questions that the youth have about God. If you would like to volunteer please call us at 307/235-6650 for more info.

One of the Five Essentials of Youth for Christ is "Loving Relationships" - We consistently pursue lost kids & encourage them to develop life-long relationships with Jesus! During the school year, we have had two

amazing, unique young men come to the Link for breakfast. Both of these young men live in single parent households. Their mothers work so they are left to fend for themselves. One of the young men came to the Link on a very wet, rainy day asking to borrow duct tape. When asked why he needed duct tape, he showed us his tennis shoes. His socks and shoes were completely wet and his tennis shoes were falling apart. He did not ask us for help but simply wanted to weatherproof his shoes. We asked him what size he wore and went and bought him socks and shoes at Kmart. He was so thankful and we told him it was because of Jesus. We were surprised that he didn't put his new socks on right away and asked him why? He shared that he was going to look for work this summer and wanted to save his new socks for job interviews. It truly touched our hearts that he did not complain about his situation and was very grateful. We were happy to show Him that Jesus is a Father to the Fatherless. Being a good Father also means providing for the needs of his children. We are so happy that we can be a Lighthouse to youth who are in desperate need of help.

Update on Matching Grant Challenge

Two donors—Friends of the youth in our community, have graciously made available matching grants totaling \$45,000 and we are excited to get the word out to all our friends and partners. We still need \$13, 767.99 to meet our match. Would you prayerfully consider making an investment in what God is doing through our various outreaches to at-risk youth of our community? As we develop relationships with these youth, trust increases such that they share their deep-seated issues. We then have the opportunity to share the life changing love of Jesus Christ.

Thank you for your gift. Together we can positively impact youth in our community!

Yes, I want to help CYFC meet their matching goal of \$45,000 to reach youth in our community:

Teaching God's Word to Youth

Our Verge youth night happens every Thursday night at the link from 6:00-8:00 p.m. Most of the youth that come are Christians, with a few who are not. We always have a great time on Thursdays with the youth doing a bible study and having pizza and playing basketball, volleyball and kickball in our gym. We just recently started doing a series of teachings on communion and the importance of it to us as Christians. Last week we had a very powerful communion service with the youth and for some of them it was the first time they participated in a communion service. We explained to them why we take communion and went through the Bible and shared all the scriptures pertaining to it. We also explained where communion originated; in the upper room with Jesus and his disciples and how the New Testament Church was going from house to house and having fellowship and communion. The youth are really enjoying learning about and participating in communion. Carl House

A Special Thank You to All of our Volunteers and Donors!

One of my jobs as Chapter Manager is to correspond with our donors and to oversee the donations which come in. Many of those who give monthly will say to me many times, "it's not much", but from my perspective those who give that small amount monthly truly help build the ministry of Casper Youth for Christ and together make a huge difference. Getting to know you and building relationships with all of you has been an amazing experience for all of us. You and our volunteers have truly made an impact in the lives of so many teens that we minister to every week. When we minister to them you are alongside us through your giving. Our donors and volunteers are part of God's team here at the Link and we just want to say we appreciate you all so very much. Hope House, Chapter Manager

Campus Life Updates !

The school year will soon be over and I must say how grateful I am to all the schools that have let us come in and do Bible studies in their schools. All of our high schools and middle schools Campus

Life programs have been a great success. It still amazes me that we are still able to bring the gospel of Christ into our school system. We have impacted a lot of youth with the Gospel of Christ since the beginning of school year last September. It was exciting to hear the 7th grade Campus Life youth saying how they were looking forward to moving on to the 8th grade Campus Life. Transitioning from 8th grade to high school can be a quite a giant step for youth. I know because of conversations I've had with youth in our 8th grade Campus Life program. Many of them will go on into the 9th grade and high school knowing that God will always be with them no matter what difficulty or obstacle they may face. "Trust in the Lord with all your heart and lean not to your own understanding." Proverbs 3:5

So thanks to all of you who pray and financially support us here at Youth for Christ. We are able to impact hundreds of youth with the Gospel of Christ because of it.
