

# Volunteer of The Month

*We are so thankful for Sherrie Lewis. She helps us prepare meals and fills in gaps for our lunch outreach. Sherrie has been serving at CYFC for over a year. I also found out that Sherrie volunteered at the Link over a decade ago. We are so happy to have her here. Thank you Sherrie for all you do in ministry to our youth.*

## The Joy of New Life

Nothing is more enjoyable than seeing a newborn baby. We had the joy of attending this precious couples baby shower. Phil has been attending our Lunch at the Link program for four years. Through the years we got to know him and recently met Allyssa. We have watched Phil grow into a responsible young man. They let us pray over their new born baby and dedicate her to the Lord. We let them know that if they needed anything CYFC would be here for them. We encouraged them that the best thing they could do for their daughter is to raise her in the ways of the Lord. We Congratulate this precious young couple as they start their new family.

There are several young ladies that are expecting and we have provided referrals and support during their new journey of motherhood. Thank you for supporting CYFC; together, we can help make a difference in Christ. In Jesus Service, Sharon Lockwood, E.D.

### Summer Camp for At-Risk Youth

Casper Youth for Christ is partnering with Haven on the Rock to provide at-risk youth in our community with an opportunity to experience a fun summer as well as learning about Jesus through Bible teachings and daily devotionals.

Youth in low-income and single parent households will receive a scholarship as to not place a hardship on their family members. Youth attending this camp will get to ride horses, repel off a cliff, play volleybally, archery and so much more.....

Please pray for the youth who attend this amazing camp. Thank you!

### Casper Youth for Christ

The “Verge” youth group meets every Thursday from 6:30-8:00 at the Link. During the week we deal with so many Teens who are unchurched and have no understanding of God, so our Verge group focuses mainly on discipleship and learning about God and His purpose in our lives. It is so encouraging when we see lunch kids visit the Verge and searching. Last month we had many of them visit and return. We do our best to make sure they have a strong foundation to fulfill their destiny in Christ. We cover many topics and have a time for questions. We want them to be “strong in the Lord and in the power of His might” as they face so many difficult situations. We welcome youth from any denomination or background and know we are raising followers of Christ for generations to come! **Carl House, Ministry Director**

### New Life–New Opportunities

We will have our first parent life meeting Wednesday March 8, 2018 at 3:30 p.m. We will partner with True Care and are excited to see the Teens who attend our Lunch Program be a part of this class. Parent Life reaches expectant and parenting teens and their children through intentional relationships with trained adults and community partnerships, empowering the teens to make good choices and encouraging them to further their education and move toward independent living and become life-long followers of Jesus Christ.

Wyoming ranks teen pregnancy at 32.8% so we are believing God that through our classes we will see many lives changed. *Hope House, Chapter Manager*
