

Volunteer of The Month

Shay has been participating in our Lunch at the Link program for several years. She also attended our

Parent Life Group. She is 17 years old and has a one year old and another baby on the way. Shay obtained her GED and we recently got her an appointment at Climb Wyoming for job training. She is giving back to CYFC by volunteering to serve during our Lunch outreach. We are so happy for

The Numbers Tell The Story....

The numbers below tell the story of how many youth have heard the Gospel and continue to hear Biblical truths on a weekly basis. Our goal is always to connect youth to local churches to raise up life long followers of Christ. Strong Christians create strong families and in turn strong communities who seek the peace and welfare of their city. Jesus disciplined the apostles by building relationships through mentoring and imparting the transforming truth of God's Word through practical application in their daily lives. He raised up leaders who impacted their society for future generations. Together we can prepare and equip youth to become strong leaders who influence culture with the love and power of Jesus. Thank you for believing in the life-changing power of the Gospel; together we can impact youth everyday and also for eternity. Thank you for supporting CYFC! In Christ, Sharon Lockwood, Executive Director

The Bigger Picture of Youth for Christ

Youth for Christ USA is now one of over 100 chartered members of Youth for Christ International. In the US, the organization spans nearly 2,000 ministry sites in local communities, led by 1,800 employees and 20,000 volunteers. Their national ministry model outreaches serve teens in tough situations including unplanned pregnancy, juvenile detention, and poverty. Currently, 300,000 young people are connected to US programs, with nearly two-thirds of those kids involved in an ongoing, intentional, beneficial relationship with a Youth for Christ leader. Today, the organization is celebrating renewed growth, having launched 600 new ministry sites in the last three years and continuing to grow.

Here is your Opportunity to Invest in the youth of Casper: 353 West A St. Casper, WY 82601

Through your support we will reach the youth in our community with our Gospel outreaches at : Juvenile Detention Center; Campus Life; Youth Crisis Center, Lunch at the Link; and the Verge Youth Night.

Please Help CYFC minister Christ to the youth in our Community. We will be your hands & feet bringing the Good News to troubled youth.

Partnering with Vision Beyond Borders

Bridger is the Ministry Coordinator for Vision Beyond Borders (VBB). He has smuggled Bibles into closed countries and lived in Hong Kong for several years. He also learned to ride a unicycle and was involved with a unicycle hockey team. I asked Bridger to share about his story of going into closed countries with the youth at Roosevelt High School. He shared how people are imprisoned, persecuted and possible sentenced to death for their faith in Christ. He showed the youth how precious a Bible is to Christians in closed countries and let them look at a Chinese and Vietnamese Bibles. He had some amazing stories about God encounters. He shared pictures and gave the youth an education about suffering Christians in other parts of the world. Finally, he shared how he uses his unicycle to open up conversations to share the Good News of Jesus Christ

around the world. He let the youth try to ride the smaller unicycle. We encouraged them to volunteer their time at VBB to help those in need around the world. Giving youth a world vision changes their perspective. In Christ, Sharon Lockwood

Long Lasting Fruit!

As a youth, Jayme Hughes attended our Campus Life Outreach in 2014 and also attending our Verge Leadership group for several years before her transition into adulthood.

Jayme shared that being a part of Casper Youth for Christ (CYFC) throughout her teen years, helped her stay on track.

There was a short season as a young person where Jayme got involved with drinking alcohol and entered into a very unhealthy relationship. Although she strayed for a short time, she continued to maintain contact with us at CYFC. Jayme shared that CYFC helped her get back on track in her relationships with Christ. Volunteer Nick Maynard also helped her get a job at Summit Medical Center where she has now worked for 3 years. Jayme and her close friend Dustin, who loves the Lord, got married in July of 2018. Carl House, CYFC's Ministry Director had the honor of conducting the ceremony.

Jayme is now volunteering at the Verge to mentor and support youth in their journey with the Lord. Thank you Jayme for all you do! We are so proud of you. To God be the Glory! Sharon Lockwood, E.D.

A Lunch at the Link Encounter

As we serve lunch every day, we establish many relationships with the teens who come to eat. One of the girls who comes almost everyday was chat-

ting with me and shared her many struggles; one of them was her possibility of being pregnant. She was so overwhelmed and began to cry.

She had much fear and concern about her life and how she was going to take care of the baby or if she was even going to have it. She has already quit school and hopes to take classes online. There were so many things I wanted to say but I felt like the Holy Spirit just wanted me to hug her, so I did. I hugged her for a long time and she just began to cry. The teens that we minister to every day deal with so many adult issues that are just so overwhelming like homelessness, sexual abuse, drug abuse, and working to support themselves, etc. They are inundated with so much negative information through social media. God says, "LOVE NEVER FAILS" so as we pour out HIS love to the kids we encounter, we pray that they will be transformed and grow to know him. As we serve them lunch, we are also serving them God's love and acceptance. Thank you for supporting our Lunch at the Link program you are a part of sharing His love to the youth in our community. Hope House, Chapter Manager
