

# Why I support CYFC!

When I was asked to be on the Board of Directors, I was excited to be of service. When I first visited CYFC and toured the Link, I didn't realize it existed. I was amazed as to how many youth were coming to the Link to eat. I sensed God was really working to meet these youth right where they were. I realized then that God called me to be involved with Casper Youth for Christ. Also, seeing the lunches go from 3 to 5 days per week was very exciting because it shows that CYFC is building momentum in reaching young people for Christ. Being a part of the body of Christ and what He is doing in our community humbles me and makes me so grateful.

I met Sharon and Hope and they prayed for me. The prayers were impactful and very helpful. It helped identify areas in my life to which I needed to attend. It brought things to the surface that were buried. The ministry of CYFC is changing lives. *Chris Culver, CYFC Board Member*

# Networking with the Body of Christ

One of the joys of working at Casper Youth for Christ is meeting so many wonderful committed Christians who have a passion to share the Gospel. In

*1 Corinthians 10:16-17, Paul presented the human body as an illustration of the interrelationship of the members of Christ's body, the church. The body is a remarkable biological creation in God's whole created order. The diversity in the body of Christ is necessary and marvelous as are the various parts in the human body. For the body of Christ to function successfully, CYFC recognizes the need to utilize the whole body of Christ as the human body is immeasurably more than the sum of its parts. As scripture states, "How good and how pleasant it is when brethren dwell together in unity.....It is like oil flowing from Aaron's beard, there the Lord commands a blessing." Psalm 133:1-3 We are excited about promoting a greater networking with ministries such as CEF, True Care and those from various local churches in our community. Working together in unity promotes greater effectiveness in Christ!*

Our outreach with CEF went well. We were able to set up at a local low-income housing apartment complex. Casper Youth for Christ provided the hot dogs for this amazing CEF outreach. We are truly blessed to partner with such a wonderful Christ-centered organization. We both have the goal of reaching individuals with the love and saving power of Jesus Christ! Thank you CEF for all you do in the community. We are excited about our partnership and future outreaches together!

## Sowing into Souls Reaping Eternal Rewards

I have a very special story to share about the importance of sowing the Gospel. Over 20 years ago, I used to go door to door at CY Apartment complex. I met an 11-year-old gal named April. I took her and other youth to church and to a Christian "Carman" concert. April contacted me 20 years later and let me know she had accepted Jesus Christ into her heart. She never forgot the prayers or the time we spent with her. Also, I recently ran into several of the other youth and their mother. They shared they were also very thankful for the time we spent with them, and Jesus now plays a big role in their lives. We never know how much of an impression we can make in the lives of youth. April and I keep in touch and she has come to the Link often for prayer. Sharon Lockwood

## Help Caleb Fulfill His Destiny!

## Teaming Up with Child Evangelism Fellowship

The main purpose of Youth for Christ is to bring youth to the saving knowledge of Christ. This week we will be partnering with Child Evangelism doing a 5-day club at Riverview Park. We will be cooking hot dogs and sharing the gospel of Christ. We must never give up on reaching the youth of our city, so every week until school starts we will be in a different part of the city of Casper reaching youth with the gospel of Christ. If you would like to be involved in our outreaches, you can call us at 235-6650. We now have an archery class every Monday from 9:30 a.m. to noon. It is for ages 10 to adult. This is a free class and Casper Creek Archery will be sponsoring it here at the Link. All the bows and arrows will be provided, but you are welcome to bring your own. Also, our leadership class for youth is held every Wednesday here at the Link from 3:30 p.m. to 5 p.m. We have a lot of fun at this leadership class.

## Staff Person Accepts Christ at the Juvenile Detention Center!

It was a very fruitful night at JDC. We had 15 total—5 female and 10 male. I was asked how I came to Christ so I gave them the whole story—every last

detail of who I was and how Christ changed me. At the end of my talk, it was 7 p.m. and I offered to pray for them. Nine kids wanted personal prayer.

Once all that was done around 8 p.m. I started for the door. One of the guards stopped me. He wanted to ask me some questions. We spent a bit talking about what it means to be born again. He accepted Christ with a simple prayer, and I pray that we all become aware that there are more than just the kids listening when we are speaking. *Bert Eldredge, JDC Volunteer*

Thank you to all of our prayer and financial supporters who make it possible to take the gospel to the youth of our city.
