## Helping Youth in Need

Sebastian and Shay have been coming to the Link for our Lunch at the Link Outreach Program for the last few years. Shay is pregnant and has been attending our Parent Life Outreach Program with Rebecca Tharp and Hope House. We were happy to find out that Sebastian and Shay obtained an apartment. They asked us if we could help them with food and gas now that Sebastian has a new job. We were able to help them with the items they needed and also worked with God's Resources to obtain more food. We could not help these youth without faithful CYFC supporters who make it possible. Thank you so much for your generosity to youth in need.

### Broken Youth asked Jesus into his Life

We visited JDC this month and had a wonderful experience with the youth. One of them shared a story how God sent him the scripture Jeremiah 29:11 three times while he was in the WYO cowboy camp. It was a true testament of Gods love for him. As we were leaving one of the boys asked if he could stay behind for prayer. He began to weep as the Spirit of God was dealing with his heart about things. Sharon and I asked him if he would like to surrender his plans and life to God and allow him to help him and he said yes. We prayed with him and he asked Jesus to enter his life. As we minister to the youth at Juvenile Detention Center twice a week we encounter those who need God's love the most and as we sow into their broken lives it is truly amazing to see their lives transformed by HIS love. Hope House, Chapter Manager

Is God calling you to reach hurting youth at the Juvenile Detention Center? Help change a teen's future....Give us a call at 307/235-6650.

THE KIDS WHO NEED THE MOST LOVE WILL ASK FOR IT IN THE MOST UNLOVING OF WAYS.

### Congratulations to Dustin & Jayme Hughes

I met Jayme at NCHS Campus Life during her Junior year of High School. She began to visit our youth group, "The Verge" on Thursday nights and God began to do an amazing work in her life. I have seen Jayme grow spiritually and emotional throughout the last 3 years. I had the honor of marrying her and Dustin on July 3<sup>rd</sup> at Natural Bridge. What a JOY to pronounce them husband and wife and to commit their lives and marriage to the Lord. Our outreaches at CYFC are truly life changing to the youth in our community. Dustin and Jayme are a living example of that.

Ministry Director

WE CANNOT ALWAYS BUILD THE FUTURE FOR OUR YOUTH, BUT WE CAN BUILD OUR YOUTH FOR THE FUTURE.

### Hot Dog Outreach

CYFC has been reaching out to youth this summer in our community. This week was Washington Park. Carl House shared the Gospel and invited youth to our Campus Life Outreaches at various school that will start in the fall. Many youth were interested in attending Campus Life. Campus Life is a long-term outreach that disciples youth within the school system every year during the lunch hours.

Casper Youth for Christ will be partnering with Child Evangelism Fellowship (CEF) on July 15-20, 2018 to reach children and youth in local apartment complexes. We are excited about our partnership with CEF. They have the same vision and heartbeat of Jesus for the next generation to know Him.
