50% of the youth we serve admit to experiencing either physical and or sexual abuse in their lifetime.

“Jesus heals the broken-hearted and binds up their wounds..” Psalm 147:3

This week we had a young lady come for prayer at the Link. She was around 14 years old. While praying for her I saw her as a younger child cowering in the corner hiding in fear. I asked her if that meant anything to her. Her spiritual mentor spoke up and shared that this young lady had been sexually abused by her father when she was a young girl. Experiencing sexual abuse can tremendously scar a person but it takes on a greater degree of pain when the perpetrator is a father figure.

She had already accepted Jesus into her heart before we met her. We were able to lead the young lady in a prayer of forgiveness. We prayed that she would experience the love of God the Father who was a perfect and holy Father who had her best interest in mind. She shared that she felt God’s love as we were praying. We encouraged her to come to the Link anytime she felt down or needed prayer.

We hear story after story from youth who admit that they still experience the emotional pain and suffering from physical and/or sexual abuse. It is our prayer that CYFC will continue to be a source of hope and healing by sharing the love of Christ to hurting and broken youth dealing with abuse issues. We are honored that many of these youth open up to us and share their deepest pain. Because of Jesus, Sharon Lockwood, Exe. Director

Visiting Haven on the Rock

Hope and I had the opportunity to go to Haven on the Rock Sunday August 13th. Scott Smith one of the leaders there invited us and showed us around the property. We also had lunch with everyone and had wonderful fellowship. We had an Amaz-

On one of the summer outreaches I gave a single mom a small New Testament and she responded by saying that "she had never opened a bible before". I was then able to tell her God's love for her and her family. Carl House

ing time with all of the Teens and were so inspired to see their hunger for God. We taught on Ecclesiastes 3:11 and encouraged them to know who they are in Christ. We focused on Prayer and learning to hear His voice. After the teaching we used a time for activation of what we had learned and; they all prayed over one another and spoke encouraging words over each other.

CYFC Outreach Updates !

Our summer outreaches will soon be coming to a close as the school year starts up again. We reached out to the youth of our city with the Gospel of Christ every Monday, Wednesday, and Friday. We ran across a lot of youth and adults that needed the hope that only Jesus can provide. To think, that just by offering a hotdog, pop, and chips that it would open the way to talk to people about Jesus. Recently, I came across 15-20 teenagers who were doing a soccer camp here in Casper. I offered them hotdogs and began to share with them that I was from Casper Youth for Christ (CYFC). They asked me about what we did at CYFC and I was able to tell them about all our programs and bible studies we do in the schools. A few of them go to schools here in Casper where we do our campus life bible studies and they told me they would try to attend once the school year began. We gave out over 275 hotdogs, pop, and chips during our outreaches and 100 New Testaments or life books whichever one they preferred. The more outreach we do to the youth of our city, the more I realize how Satan is trying to keep our youth from the life changing message of Jesus Christ. Satan is using social media to bring every anti-Jesus statements he can to prevent them from hearing the Gospel.

We here at CYFC are maintaining the vision of bringing the message of hope in Christ to all the youth we interact with during the year. CYFC will always be a light that shines into the darkness that Satan tries to bring to the youth of our city.
