## Skateboarding at The Link

A generous donor gave us finances to help us start our indoor skatepark in our gym here at the Link. We were able to purchase some awesome "Skatepark" ramps to get our indoor skatepark started. They have already been youth here at the Link to try them out and are very impressed. One of the skateboarders kept saying to me "thank you guys so much for doing this indoor skatepark. " When the Wyoming temperatures start to drop or during inclement I am sure our indoor skatepark will be filled with youth from our city. We are looking at having skateboarding here at the Link at least two nights a week and more if we can get volunteers who would like to be involved. If you feel God leading you to be a part of this indoor skatepark ministry and reach out to the youth of Casper please let me know. It would be a great way to get to know them and invite them to your youth group at your church. A very large percent of the youth that will come will be unchurched and need the love of Jesus. We will also be incorporating a short bible study during the time youth are skateboarding.

## Impacting the Lives of Teen Moms

Parent Life reaches expectant and parenting teens and their children through intentional relationships with trained adults. We have started our Parent Life Class for the summer! The first class was a time of visiting and getting to know one another. The girls opened up and shared what they felt their greatest needs were as new parents. Several of the teens in our class will be continuing High School, getting jobs ,and juggling many things while also trying to parent. There are many pregnant teens in our community and we as a ministry have a passion to raise up lifelong followers of Christ. Thank you for praying for our Parent Life outreach. Our goal is to empower the girls we work with and encourage them to make good choices and further their education and move toward independent living.

Hope, Chapter Manager

## A Lighthouse to Youth

### Meet Zach

Over four years ago, I prayed with Zach in my office to accept Jesus Christ in his heart.

He has still experienced hardship and trials but continues to come back to the Link for prayer and to visit with us.

Zach is now married with two children and wants to live healthy and righteous. He appears to be taking things more serious now that he is a parent.

There are several youth who we have met through the years who now have children of their own. Several of them have shared that they remember the values we taught them and now that they have children of their own, they want to change their behavior and lifestyle. Sometimes we become those father and mother figures to these youth who need guidance and wise counsel that comes from God's Word. Sharon Lockwood, E.D.
