Backpack Give Away

Thanks to the donations of our faithful partners, this month we gave away over 12 backpacks. When we ran out of backpacks, Greta Hinderliter, Homeless Liaison for the NCSD #1, provided several more. During the months of August and September, we will continue to have requests for assistance with backpacks and school supplies. If you would like to donate backpacks or supplies, please drop them off at the Link and we will ensure that students in need of school supplies will receive them. The picture above is one of our students from our Campus Life Outreaches. We met her last year and continue to keep in touch with her. We are so glad when we can tell students, "This was given to you from Jesus." It is our goal to teach youth that every good and perfect gift comes from above, James 1:17. Jesus wants to reveal himself to broken youth as the True God who loves them with an everlasting love. In Christ, Sharon Lockwood, E.D.

Victor Marx is Coming to Casper

Strategic Plan to Reach Hurting Youth

As a child, Victor Marx was lured into a small building where he was sexually abused. Throughout his life he suffered from

post traumatic stress disorder. He got involved with martial arts as a way to cope with his brokenness. Eventually, he went into the Marines; and, after reconciling with his estranged father, Victor gave his life to Christ. God began to heal him of the trauma, and he felt the burden of the Lord to help others dealing with abuse. Now he travels around the world sharing his story. CYFC felt led of the Lord to bring Victor to Casper. We've had so many youth open up to us about their stories of pain. We believe Victor will speak to the depths of their pain as well as share about the One true Healer of pain. If you would like to attend this event, please contact us to purchase a ticket or sponsor a table. All proceeds benefit youth in our community through our CYFC outreaches. Thank you for your support. In Christ, Sharon Lockwood, Executive Director

Parent Life reaches expectant and parenting teens and their children through intentional relationships with trained adults and community partnerships, empowering the teens to make good choices and encouraging them to further their education and move toward independent living and become lifelong followers of Jesus Christ.

Meet Karli. She is part of our Parent Life class here at Casper YFC. Her baby is due at the end of September. She is a student at NCHS and will continue her classes as her baby is born. She has grown tremendously and joined also with True Care as we have partnered with them on this project. As we continue this relationship with her, we pray that God's love that we have shared with her and the knowledge and passion for education, independence and successful life skills will follow her. Hope House, *Chapter Manager*

The new school year is upon us once again. We are very excited to see the return of all our Campus Life programs and our free "Lunch at the Link". We are also planning to have our indoor skateboarding starting up again here at the Link. Our goal here at the Link is to interact with as many youth as possible to show them the Love of Christ. During the school year we hear many stories about their lives, some of them being good and some being not so good. I would say 90% of the youth we come in contact with are unchurched. We here at Casper Youth for Christ do our utmost to direct these youth to Christ by showing them the Love of Christ and by just being a listening ear as they share from their hearts some of the issues they are facing in their lives. Little by little the youth are trusting us more and are more open to talk about God and Jesus and who He is to them. The God of this world (Satan) is doing his best to blind the minds of these youth to keep the light of the glorious gospel from being revealed to them. In 2 Corinthians 4:4 it states, "In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." Satan is using every weapon at his disposal to keep the youth of Casper from receiving Christ as their Savior. We must keep praying for our youth that they will come to a saving knowledge of Jesus Christ. They are the next generation that must keep America focused on Christ because the God of this world does not want that to happen. So, keep praying for Casper Youth for Christ this school year as we once again start our campus life programs and our free lunch here at the Link along with our many other youth programs to bring the gospel to our youth here in Casper, Wyoming. Again, thank you for all your prayers and your generous financial support.

Carl House, Ministry Director
