

# Volunteer of The Month

Scott Smith Jr. is on staff at Haven on the Rock, a Christian Camp Ministry. Scott has volunteered his time at the Link sharing the Gospel with youth and at various Campus Life Outreaches. The youth love to hear the Good

News as Scott creates some amazing balloons to go along with his Bible stories. Thank you Scott for partnering with us at CYFC. We are also discussing a summer-time discipleship program for youth that Scott is interested in leading.

*"Your long-term investment in the lives of youth have eternal dividends."*

We continue to hear so many sad stories from youth in our community. I met one young person who opened up for the first time and

shared how many times she had been abused. The last time was from a boyfriend she thought she could trust. I was glad this person trusted us enough to open up and share her pain. CYFC wants to be a constant support in the lives of hurting and broken youth in our community. Several of these youth were also experiencing grief because one of their peers recently died. Another youth shared the pain of dealing with bullying. We all agree that Jesus Christ is the answer to the problems youth face. In the last year our outreaches have not only impacted youth but whole families within our community:

So with it being Thanksgiving and all I asked the Teens visiting the Link, “What are you Thankful for,” and they all said at the same time, “for Friends, these guys we hang out with” and for The Link for giving us free

**lunch every day. Honestly I was surprised by the response you get when you ask a general question. It communicates our genuine interest in love as we listen to their answers. When you hear responses like this it makes it all worthwhile. I guess we can all ask ourselves, WHAT ARE WE THANKFUL FOR! I am thankful that we have an opportunity to minister to and encourage all the teens we see every day. Hope House, Office Manager**

## Campus Life Roosevelt

We are happy to start Campus Life at Roosevelt High School this year. Last year we were unable to have a Campus Life because of the transition from the old school to the new building located off of Wyoming Boulevard.

We weren't sure if anyone would show up but we were happy that one person signed up. He encouraged all of his friends to attend so we had six youth on the first day.

Scott Smith from Haven on the Rock taught the first group. He spoke on the knowledge of the tree of good and evil using balloons. The youth were fascinated. Scott gave one of the students the balloons and turned it into a hat. The student wore it for the rest of the day.

During the second week, two of the youth who attended opened up about their lives. It was truly an honor to sit and listen as they poured their hearts out. We shared with them that Jesus is a friend that stick closer than a brother. Please keep Roosevelt in your prayers. Sharon Lockwood

## Ministry Update

The world seems to be changing at a rapid pace. That is why at Casper Youth for Christ we are focused on bringing the Gospel to the youth of our city. Our youth need a strong foundation in Christ if they are going to be able to stand against the flood of anti-God and anti-Christ information that they are being subjected to in today's world. God continues to bring grace to all of our programs here at Casper Youth for Christ. We are seeing new youth coming to our free lunch at the Link which takes place Monday-Friday from 11:00 to 12:30. We have so many youth tells us how this free lunch benefits them, because many times they do not have money for lunch. Pastor Chris Sims and Pastor Ed Tharp have teamed up to bring the gospel to our youth at Kelly Walsh with our Campus Life program. They have Campus Life during both lunch times at Kelly Walsh in the overlook room. They have had up to 30 youth attending. God has once again opened the door into Roosevelt High School for Campus Life so we can continue to bring the Gospel to the youth that attend. We are very grateful that Roosevelt agreed to let us come back this year. At Centennial, the 7<sup>th</sup> and 8<sup>th</sup> grade Campus Life took off with a blast as we have now 20-28 youth attending. We continue to hear praise reports from our Juvenile Detention Center outreach. So many of the youth there have had their lives touched by the love of God that comes through all of our volunteers. Every week we hear about youth who when prayed for often times break down into tears because the love of God that is being experienced. One common thing that all the youth come into contact with have. they all are just looking for someone to love them. Our “Verge” youth night on Thursdays is a great place for youth to come and hear about the love of God for them and to learn what it really means to give your life to Christ and become a disciple of Christ. We ask you to continue to pray for the youth of our city that they would come to know the love of God and want to surrender their lives to Christ. I said previously, that in today's world they truly need the foundation of Christ to be their stronghold and desire.

Carl House, Ministry Director
