Lunch @ The Link

Kenny and Tavienna have been together for 5 years. They love coming to the Link for lunch! Kenny stated, "The Link has great food, wonderful people and he enjoys the environment."

Robert and Sky come to the Link for lunch every week day. They love to play pool, enjoy the environment and they really appreciate that the food is free. It helps them save money for gas and other needs.

Caleb...."At times, I couldn't afford lunch at school and wouldn't have eaten if it hadn't been for lunch at the Link." During a hard time in my life, the volunteers prayed for me and I felt so much better. I am very thankful for the Link.

Caleb, Connor and Jailyen enjoy spending time in our gymnasium during the lunch hour. They have fun in the bubbles.

Teaching Youth Biblical Principles

I am holding a DVD called "Evolution vs. God". It is one of the tools we pass out to youth at our Campus Life outreaches. Youth are very impressionable and deserve to

hear the truth of Scripture. It is our mandate to share the principles of God's Word, which is able to make youth wise for salvation through Christ Jesus—2 Tim. 3:15

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness ... 2 Tim. 3:16

Because all scripture is God-breathed, we believe it can shape the future of our youth toward righteousness. What an honor it is to be ambassadors for Christ in our community. Every week at middle schools, high schools; the Juvenile Detention Center; Lunch at the Link Outreach; the Verge Outreach and during our Christmas outreach— Love in Action; we have the opportunity to take God's Word where it is most needed. Day after day and year after year, Casper Youth for Christ is reaching young people with the goal of raising up lifelong followers of Christ. Thank you for supporting the vision of CYFC. Together we are promoting a "Jesus Culture" amongst our youth. In Christ's Service,

Sharon Lockwood,

Moving Forward

We are truly blessed by the amazing youth God brings into our lives. Hailey is one such person. Recently she helped us staple Christmas outreach apps and also worked on stamping envelopes. When she comes in during the lunch hour, she always asks if there is anything she could do to help us.

Recently, we had a donation of clothes for youth. Hailey took a few outfits. She was very thankful, This is one of the outfits and shoes that she received. She looks amazing! We are so glad that we can be there to help youth spiritually, emotionally, and with basic needs.

In spite of Hailey's challenges, Hailey plans on going to college after high school to become a nurse. In Christ Jesus, Sharon Lockwood

John 8:32 "Then you will know the truth, and the truth will set you free."

Here at Casper Youth for Christ we want the youth of our city to hear the truth of the love that God has for them. As I have stated before, the staff and the volunteers here at CYFC are the only Jesus that many of our youth will ever see. The truth they are looking for, can only be found in the knowledge and love of Jesus Christ. I recently read that there are 10 major issues that youth are facing today. Whether it be broken homes, drugs, violence, etc.. The only answer for our youth is coming into a saving knowledge of Jesus Christ.

It says in 2nd. Corinthians 4:4 In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them. Satan is doing all he can to blind the minds of our youth from the glorious gospel that God wants them to understand. It is not only a Gospel, but it is a glorious Gospel.

The youth that come to the Link are opening their lives to us more and more as we have built trust with them over the years. They are now more open to hear this glorious Gospel than ever before. In all our programs here at Casper Youth for Christ we are able to bring this glorious Gospel to them because of your prayers and your continual support of this ministry.

The world seems to be changing very quickly every day. The youth of our city are facing greater and more serious issues with every passing day. We must keep presenting the Gospel and sharing the love of Christ with them as their anchor in an ever-changing world. Pray for the youth of Casper that they will continue to be open to hear this glorious Gospel as we here at CYFC have the opportunity to share it with them.
