

## A Global Perspective

Every day at thousands of community centers, high schools, middle schools, juvenile institutions, coffee shops, and local hangouts, Youth For Christ staff and volunteers meet with young people who need Jesus. ## Changing Lives Everyday!

Youth need more than programs. They need real hope, along with healthy, loving, mentoring relationships. Youth for Christ pursues under served, at-risk youth who are lacking spiritual and relational resources. CYFC networks with other community partners in establishing an anchor for their souls during the often stormy transition from adolescence to adulthood. Casper Youth for Christ reaches out to youth daily in our community. CYFC is a Christ-centered ministry—John 3:16.

## Breezy's Story.....

We met Breezy through our Lunch at the Link Outreach. CYFC was there for Breezy through her many storms of adolescence by helping her with gas, car repair, free meals and groceries, clothing, a Bible, Christmas dinners, free haircuts, and much more through our Homeless Youth Dinner Outreach. Breezy successfully graduated high school, is employed full-time and faithfully attends a local church. She now gives back to her community by helping other youth in need. Breezy considers CYFC part of her family. Breezy is amazing, and it's an honor to know her.

CYFC collaborates with local organizations to help homeless and at-risk youth learn essential life skills and assists them in becoming productive members of society.
