

Casper Youth for Christ provides meals for homeless, incarcerated, and pregnant teens throughout the year. In fact, in 2019, Casper Youth for Christ (CYFC) served 5, 236 meals during the lunch hour; and through our Love in Action Outreach, CYFC provided groceries to a total of 228 families, which includes 930 individuals.

Ben is an 18-year-old homeless youth that comes to the Link for lunch every day. He was very guarded for the first three months and continually told us he believed in satan. We would ignore those claims and would continue to show him acceptance and Christ's love. Ben couch-surfed and stayed wherever he could find a bed for the night. CYFC helped Ben with meals and clothing, and we worked with several agencies to get him into housing. We also took him to the hospital when he was sick. One day Ben finally opened up about his belief system. We got to share the Gospel with Ben and prayed for God to touch his life. He shared that he feels accepted and valued at the Link despite his belief in Taoism. We continue to share God's Word with him and invited Ben to have a Thanksgiving Dinner with us at the Link on November 22nd, which he gladly accepted our invitation. CYFC will continue to be there for youth in need.

Would you prayerfully consider investing in the lives of families who are struggling in our community this Thanksgiving? CYFC continues to meet the needs of families not just during the holidays but throughout the year. Thank you so much for your generosity in helping to meet the needs of our community.

In Christ's Service, Sharon Lockwood, Executive Director

FEED A TEEN during the Thanksgiving Holiday!
