

We are featuring an incredibly special youth this Christmas. *Her nickname is Sky!*

She started attending our Lunch at the Link Program over four years ago. When we first met Sky, she would barely communicate to us and would keep her distance. Little by little, she started letting her defenses down and began to trust us.

CYFC is Changing Lives not just during the Holidays but all year long!

Gave Bible
warm hat & gloves

Shared the Gospel with Sky

Took Sky colored pencils and paper
during the quarantine.
